Date: 09 December 2021

Dear Mrs Richardson

**Waste Batteries and Accumulators Regulations 2009 (as amended)
Notification of grant of approval of a waste battery treatment operator**

We have considered your application for approval as a waste battery treatment operator under The Waste Batteries and Accumulators Regulations 2009 (as amended) (*'the Regulations'*).

Waste Portable Batteries

We hereby grant approval to **Electrical Waste Recycling Group Ltd** to operate as an approved battery treatment operator for waste portable batteries. Your operator approval number is BT2210345BT.

Your approval covers the following site only:

Site name and address	Individual site approval number	Amount of evidence notes (tonnes)
Electrical Waste Recycling Group Ltd School Lane Kirkheaton Huddersfield HD5 0JS	BS2210347BS	15 tonnes or less

Your approval is subject to the conditions specified in Part 2 and Part 3 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved site only.

You have given an undertaking (paragraph 4 of regulation 65) in respect of a tonnage limit, which is indicated for each site in the table above, and consequently you have paid the lower application charge. If you subsequently exceed this tonnage limit you will be liable to pay an additional charge. You must pay the additional charge within 28 days of exceeding the threshold.

Your approval is valid from 01 January 2022 and ends on 31 December 2022, unless it is otherwise suspended or cancelled.

The approval allows you to issue evidence notes for waste portable batteries which you accept at this site for treatment and recycling. You must issue evidence notes in accordance with the Regulations.

Waste Industrial and Automotive Batteries

We hereby grant approval to **Electrical Waste Recycling Group Ltd** to operate as an approved battery treatment operator for waste industrial and automotive batteries. Your operator approval number is BT2210346BT.

Your approval covers the following site and categories only:

Site name and address	Battery category	Individual site approval number	Limit (tonnes)
Electrical Waste Recycling Group Ltd School Lane Kirkheaton Huddersfield HD5 0JS	Automotive & industrial	BS2210348BS	150 tonnes or less

Your approval is subject to the conditions specified in Part 2 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved site only.

You have given an undertaking (paragraph 4 of regulation 65) in respect of a tonnage limit, which is indicated for each site in the table above, and consequently you have paid the lower application charge. If you subsequently exceed this tonnage limit you will be liable to pay an additional charge. You must pay the additional charge within 28 days of exceeding the threshold.

Your approval is valid from 01 January 2022 and ends on 31 December 2022, unless it is otherwise suspended or cancelled.

The approval allows you to treat and recycle waste industrial and automotive batteries which you accept at this site for treatment and recycling.

Suspension and cancellation of approval

We may suspend or cancel your approval where it appears to us that you have failed, or are likely to fail, to comply with any of the conditions of approval. Suspension or cancellation may extend to one or more of your approved sites, or may apply to your whole approval. Your whole approval will cease to have effect if you cease to be a battery treatment operator, or you request that your approval should be cancelled.

You must notify us immediately, in writing, of any changes to the details submitted with your application.

creating a better place
for people and wildlife

This approval does not replace any other environmental authorisation that you may have for the site. You must continue to comply with these and other relevant legislation.

Please contact Rob Bridges on 020 847 476 08 if you have any queries.

Yours sincerely

A handwritten signature in black ink, appearing to read "Christine Norris".
